

## RESET TEACHER ASSESSMENT (to be completed at end of the program)

**SCHOOL:**

**DATE:**

**TEACHER:**

**VOLUNTEER:**

How much do you think your RESET volunteer(s) affected your students' enthusiasm level for science/math? Circle one answer:

Very Little

Some

Quite a bit

Very much

Relative to other ways this classroom time could be utilized, do you expect your volunteer's program to improve your students' performance in science or math?

Very Little

Some

Quite a bit

Very much

How much of an effect did your volunteer have in representing an education/career pathway for your students to consider for their own futures?

Very Little

Some

Quite a bit

Very much

How much did the experiments and demonstrations hold student attention and help them learn some principle of science or math?

Very Little

Some

Quite a bit

Very much

How much did the volunteer relate each principle to every-day phenomena to which the students could relate?

Very Little

Some

Quite a bit

Very much

What suggestions do you have for the improving the presentation of this RESET program in the future?

Please share your thoughts about RESET for other schools and teachers that are considering a partnership with RESET:

Please provide any other feedback on the other side of this sheet. Thank you very much for collaborating with RESET and for your time completing this assessment! Questions about RESET?
